

BANK END PRIMARY

WE LEARN, LAUGH AND GROW TOGETHER.

Worsbrough Bank End Primary is a 'can do school' where we find ways to help everybody reach their potential, because every person really matters.-Vision Statement 2011

Dear Parents and Carers

It is with great delight that I introduce myself to you as the Headteacher of Bank End Primary.

I believe that all children are incredibly important, as such I have devoted my working life so far to the protection and education of children from many different communities. One thing that I have learned over that period of time is that by working in partnership with parents and carers, children get the best.

- The **best** possible care.
- The **best** possible support.
- The **best** possible education.
- And the **best** possible opportunity to achieve to their potential.

Every parent wants the best for their child, nobody sets out wanting their child to not achieve, but sometimes we forget how much encouragement and support our children need. That is where our partnership will become very important. I am passionate about learning and believe that learning is the key to securing a future that will be happy and successful. I believe that to be able to learn children need to be happy, confident, understand themselves, understand their feelings and know how to get on with each other and make friends. By working together we can make sure that education and care go hand in hand, to give every child an equal opportunity to be their best selves.

Since January we have been developing a curriculum that is exciting and purposeful to help children become more motivated to learn achieve and attain so that they can stand as equals with others that they will meet in life. In order to do this we have 3 key drivers that support all our teaching and learning. These are:

Ambition

Learning to Learn

Ownership

By making sure that our children are at the heart of all our thoughts we hope that they will thrive and become good citizens in the future workplace.

Enjoy your time at Bank End and keep in touch- because together we will make a difference!
