

Worsbrough Bank End Primary School

Reading for Accelerating Learning

Dear parents and carers

We would like you to invite you to join in with a very exciting piece of work we are doing. Over 5 sessions after the holidays we are holding a group meeting to help parents and carers understand how to get the very best out of supporting children with their phonics and reading. At Bank End we believe that reading is the key to success in all other areas of learning. We also believe that parents and carers can hugely accelerate their child (ren's) learning if they understand how to support reading at home.

The meetings will be held in school time run from 9.15am-11.15am (day to be confirmed) There will be a crèche for your younger children and an opportunity for you to learn and have fun. Refreshments will be provided and there is absolutely no cost for the course or crèche.

This opportunity should not be missed. Please fill in the slip below and return it ASAP.

Many thanks for your continued support-Because together we WILL make a difference!
