

Worsbrough Bank End Primary School

School closes today and re-opens
on **Monday 31st October.**

Please come dressed in your
Halloween clothes for a scary
day!

A huge thank you to all our families who came into school yesterday. We really enjoyed seeing you and working in partnership with you, to help all our children be the best they can be.

Please remember that PE kits will need to be in school on the first Monday back. It is a statutory requirement that children take part in physical education. At Bank End we believe that healthy bodies lead to healthy minds. Please support your child in this matter.

Have a good holiday!

Thank you for your continued support!

Nic Thorpe-Headteacher
