## **Ofsted Inspection**

*Worsbrough Bank End Primary School- A GOOD School with OUTSTANDING features!*

We are delighted to share the final Ofsted report with you. I think you will see that the school is now performing better than it has in the last five years. We are incredibly proud of this because we do work very hard to make Bank End a special place where learning and improvements in learning drive everything.

91% of you are happy with what we do and we want to promise you that we will continue to try to get better until we have an outstanding provision for all your children. We know through the parent questionnaires that 9% of our families are unhappy with the provision that we provide. If you feel unhappy with anything that we are doing or providing it is important that you make an appointment to speak to a member of the Senior Leadership Team a.s.a.p. If we don't know how you feel, we can't do anything about it and we want so much for you to be happy with the provision. Please help us to help you so that the children's learning can come first.
