

Mrs Anna Moore. Parent Support Advisor

As your Parent Support Advisor, my role involves working with you to ensure your children achieve beyond their potential and experience a happy and productive time at school. This includes supporting you to address any barriers to learning that your children may be experiencing and improving school attendance. I can also support you to address any issues which may be affecting the wellbeing of you and your family. If I am unable to support you directly, I can put you in touch with people who can.

In addition to this, I am also Deputy Safeguarding Officer for School, supporting Miss Barker to ensure that all children at Bank End are Happy, Healthy and Safe. Please get in touch if you require any advice or support. **If you have any concerns regarding a child's safety, please contact either Miss Barker or myself urgently.**

I am in school every weekday during term time so please feel free to get in touch if you would like any information or support.
