Missing pupil policy and procedures for when a pupil is not collected on time

This policy consists of two parts: the first covering a missing child and the second covering the procedure to be followed in the event of a parent failing to collect a child at the appointed time. Some sections are only relevant to those schools with EYFS and residential provision and where indicated, should be omitted by those schools without such provision. Other sections highlighted in blue are for each school to adapt the policy as appropriate to them and their local procedures. Comments throughout provide guidance as you edit this for your school.

A child going “missing” refers to any pupil whose whereabouts cannot be established. For example, a pupil is required or expected to be in school but has failed to show and their whereabouts are unknown.

The above wording in italics should be omitted before publishing the school’s policy.

Part 1: Missing Child Policy

This policy covers:

1. Information for parents
2. Action to be followed by staff if a child fails to attend first day of school
3. Duty to report
4. Actions to be followed by staff if a pupil goes missing from the School
5. Actions to be followed by staff where a boarder is absent at night or fails to return from ‘leave out’ at the appointed time
6. Actions to be followed by staff if a pupil goes missing on an outing
7. Actions to be followed by staff once the pupil is found

Introduction

The welfare of all our children at Bank End Primary Academy is our paramount responsibility. A pupil going missing from education, particularly on repeat occasions, is a vital warning sign of a range of safeguarding issues including sexual abuse or neglect and sexual and/or criminal exploitation. It may also indicate mental health problems, risk of substance abuse, risk of travelling to conflict zones, county lines, so called 'honour based' abuse and/or risk of female genital mutilation and forced marriage. Early intervention is necessary to identify the existence of any underlying safeguarding risk and to help prevent the risks of a child going missing in future.

Every adult who works at the School has been trained to appreciate that they have a key responsibility for helping to keep all of the children safe at all times. This includes the importance of effective information sharing to ensure our children are safe and receiving suitable education. Where staff have concerns that a child is missing from school, this policy should be followed.

Every member of our staff who works with children has read Part 1 of *Keeping Children Safe in Education* (KCSIE). Our staffing ratios are generous and are deliberately designed to ensure that every child is supervised the whole time that he or she is in our care.

The School will always consider the wider circumstances around a child going missing from School and whether there are wider safeguarding concerns that may need to be addressed in line with the School's Safeguarding Policy.

This policy should be read in conjunction with the School's Safeguarding Policy and code of conduct]. This policy was drawn up having had regard to the Independent School Regulatory Requirements, Early Years Statutory Framework], and Department for Education's guidance KCSIE and '*Children Missing Education*'.

1. Information for parents

All safeguarding policies are reviewed regularly (at least once a year as a minimum) by the School's Local Governing Body in order to satisfy ourselves that they are robust and effective. This policy is ratified annually by the United Learning Group Board in conjunction with the School's Safeguarding Policy and Procedures.

Where reasonably possible, the School will hold more than one emergency contact for each pupil. This is to give the School additional options to make contact with parents and/or a responsible adult when a child missing education is also identified as a welfare and/or safeguarding concern.

All new staff receive a thorough induction into the importance of effective supervision of all pupils, what to do if a child goes missing and are required to read Part 1 of KCSIE, or Annex A of KCSIE if their role does not require them to work directly with children.

[● In addition, all pupils and parents will be made aware of:

- The qualifications of our staff and the arrangements for supervising the children whilst they are in school
 - Arrangements when arriving at school and leaving the premises at the end of the day
 - Arrangements for registration in both morning and afternoon. Parents are responsible for notifying the School if their child is absent for any reason. The School will always contact the parent if the child fails to arrive at school without an explanation.
2. The physical security measures which prevent unsupervised access to or exit from the building, including onsite supervision including of the playground and] the physical barriers that separate it from the rest of the School.

Actions to be followed by staff if a child fails to attend first day of school

All new pupils are placed on the School's admission register at the beginning of the first day on which the School has agreed that the pupil will attend the School.

If a child fails to attend on the agreed date, staff must inform Head / Designated Safeguarding Lead without delay. The Head / Designated Safeguarding Lead] will undertake reasonable enquiries to establish the pupil's whereabouts and will consider notifying the local authority at the earliest

opportunity. If the Principal believes the pupil is in immediate danger or at risk of harm, a referral should be made to children's social care (and the police if appropriate) without delay.

Where there are changes affecting the child (including a change of address or school), these will be reflected in the admission register. This will assist the School and external agencies when making enquiries to locate any missing children.

3. Duty to Report

The School monitors attendance closely and will take action to address poor or irregular attendance. The School will inform the local authority (and the local authority where the child is normally resident) of any pupil who fails to attend school regularly, or has been absent without the school's permission for a continuous period of 10 school days or more without permission.

Where a pupil has not returned to school for 10 school days after an authorised absence or has been continuously absent without authorisation for a period of not less than 20 school days (and there are no reasonable grounds to believe the pupil is unwell or unable to attend because of any unavoidable cause), and the School and local authority have failed, after jointly making reasonable enquiries, to ascertain where the pupil is, the School may delete the pupil's name from the admission register. The School will inform the local authority of such deletion no later than the time at which the pupil's name is deleted from the register.

The School also recognises its wider reporting duties following deletions from the admission register, in accordance with the Education (Pupil Registration) (England) Regulations 2006, to help identify children who are missing education and/or otherwise at risk of harm.

The School will report to OFSTED within 14 days any incident of a missing EYFS pupil as is required under the Statutory framework for the early years foundation stage (EYFS) 2021, for registered providers.

Procedures if a pupil is not collected on time

If a child is not collected within half an hour of the agreed collection time, we will call the contact numbers for the parent or carers. Where reasonably possible the School will hold more than one emergency contact number for each pupil. If there is no answer, the principal will begin to call the emergency numbers for this child. During this time, the child will be safely looked after.

- If there is no response from the parents' or carers' contact numbers or the emergency numbers within a one hour period, the DSL will contact/refer to their local Children Services Department to seek advice and agree what actions should be taken and by whom.
