Knowledge & Understanding of the World	<ul style="list-style-type: none"> <li>Begin to make sense of their own life-story and family's history.</li> <li>Show interest in different occupations.</li> <li>Continue to develop positive attitudes about the differences between people</li> </ul> <ul style="list-style-type: none"> <li>Use all their senses in hands-on exploration of natural materials.</li> <li>Explore collections of materials with similar and/or different properties.</li> <li>Know that there are different countries in the world and talk about the differences they have experienced or seen in photos.</li> </ul>	<ul style="list-style-type: none"> <li>Use all their senses in hands-on exploration of natural materials.</li> <li>Talk about the differences between materials and changes they notice.</li> <li>Continue to develop positive attitudes about the differences between people.</li> </ul>	<ul style="list-style-type: none"> <li>Explore and talk about different forces they can feel.</li> <li>Show interest in different occupations.</li> <li>Explore how things work.</li> </ul>	<ul style="list-style-type: none"> <li>Plant seeds and care for growing plants.</li> <li>Understand the key features of the life cycles.</li> <li>Begin to understand the need to respect and care for the natural environment and all living things.</li> <li>Show interest in different occupations.</li> </ul>	<ul style="list-style-type: none"> <li>Use all their senses in hands-on exploration of natural materials.</li> <li>Explore collections of materials with similar and/or different properties.</li> <li>Talk about the differences between materials and changes they notice.</li> <li>Talk about what they see, using a wide vocabulary.</li> </ul>	<ul style="list-style-type: none"> <li>Talk about what they see, using a wide vocabulary.</li> <li>Know that there are different countries in the world and talk about the differences they have experienced or seen in photos.</li> <li>Understand the key features of the life cycle of a plant and an animal.</li> </ul>

- Create closed shapes with continuous lines and begin to use these shapes to represent objects.
- Draw with increasing complexity and detail, such as representing a face with a circle and including details.
- Take part in simple pretend play.
  
- Explore different materials freely.
- Develop their own ideas and then decide which materials to use to express them.
- Explore different textures.
- Begin to develop stories using small world equipment.
- Make imaginative and complex 'small worlds.'

- Begin to develop complex stories using small world.
- Remember and sing songs.
- Sing the pitch of a tone sung by another person.
- Sing the melodic shape
- Explore colour-mixing.
- Develop their own ideas and then decide which materials to use to express them.

- Create their own songs or improvise a song around one they know.
- Play instruments with increasing control to express their feelings and ideas.
- Make imaginative and complex 'small worlds.'
- Respond to what they have heard, expressing their thoughts and feelings.

- Explore colour and colour-mixing.
- Begin to develop complex stories using small world.
- Make imaginative and complex 'small worlds' with blocks.
- Explore different materials freely.
- Develop their own ideas and then decide which materials to use to express them.

- Use drawing to represent ideas like movement or noise.
- Join different materials and explore different textures.
- Create closed shapes with continuous lines and use these shapes to represent objects.
- Draw with increasing complexity and detail.

- Explore colour and colour-mixing.
- Listen with increased attention to sounds.
- Respond to what they have heard, expressing their thoughts and feelings.
- Draw with increasing complexity and detail.
- Create closed shapes with continuous lines
