Uniform for September 2026/2027

Here at Bank End Primary Academy, we insist on high standards and have high expectations. We believe that uniform plays a valuable role in contributing to the ethos of a school and instils a sense of pride for all; it also supports positive behaviour and protects children from social pressure.

We aim to ensure that all children leave Bank End Primary Academy with the highest of aspirations and present themselves in such a way that they are looked upon as excellent role models, both now and in the future and are secondary ready.

All staff are responsible for ensuring that the policy and procedures are followed, applying the rules consistently and fairly. Staff should challenge all breaches of uniform and report them to the class teacher who is responsible for following up any issues.

Children are also expected to take responsibility for their own uniform and are made fully aware of the school policy, procedure, and expectations. Children are expected to wear school uniform and be proud ambassadors of Bank End Primary Academy.
