

Year 3

Intent:

In Year 3 at Worsbrough Bank End , we will deliver an education with character through a broad and balanced curriculum. We incorporate the school's values into every aspect of teaching and learning to provide children with the vital skills they need in order to make good progress in terms of their educational, social, moral, cultural and spiritual development. At Bank End, we believe in nurturing the whole child and embedding in children the tools they need to be successful both throughout their primary education and in later life. We teach children to be confident, ambitious, resilient, creative, determined, respectful and enthusiastic in their learning and to apply these skills to solve problems and face challenges. Through everything we do, we aim to inspire a love of learning in the children which raises aspirations and prepares them for a happy and successful future.

Implementation:

By the end of Year 3 children will have had the opportunity to experience the following opportunities:

- Create a cave painting and a picture of a Stone Age dwelling using natural materials.
- Sing a Spanish song
- Make and taste healthy soup
- Perform in an online "virtual" Christmas concert
- Make a photo frame for a present
- Take part in an Olympic games
- Create a portfolio of writing across various genres
- Put on a shadow puppet show

Impact:

The Year 3 team provides children with a broad and balanced curriculum of a high quality. The curriculum shows progression across the year to support children in achieving their potential and become responsible and reflective learners. Maths is taught systematically following the White Rose Maths scheme, which enables children to become fluent, reason and solve problems.

Children are introduced to a variety of high-quality texts through Guided Reading and English lessons. They are frequently read to by adults and have opportunities throughout the day to read to an adult. This system develops fluent, confident readers and promotes a love of reading in all children.

As they leave year 3, children will:

- Be responsible and reflective learners
- Be aware of choices that support mental and physically healthy lifestyles
- Have a love of learning which is fostered through a broad and balanced curriculum
- Be resilient
- Be problem solvers
- Be independent learners
- Be confident
- Be Year 4 ready
