Covering staff and pupil H&S for the reopening of schools from 8 March 2021 and for those staff who will continue or need to work from home. The term 'school' is used throughout to refer to schools and early years settings as applicable.

To minimise the risk of infection to all persons, the following system of controls has been applied by the school/setting:

At all times

- 1) Minimise contact with individuals who are required to self-isolate by ensuring they do not attend school
- 2) Ensure face coverings are used in recommended circumstances
- 3) Ensure everyone is advised to clean their hands thoroughly and more often than usual
- 4) Ensure good respiratory hygiene for everyone by promoting the 'catch it, bin it, kill it' approach
- 5) Maintain enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents
- 6) Minimise contact between across the setting/site and maintain social distancing wherever possible
- 7) Keep occupied spaces well ventilated

In specific circumstances

- 8) Ensure individuals wear the appropriate personal protective equipment (PPE) where necessary
- 9) Promote and engage in asymptomatic testing, where available

In response to any infection

- 10) Promote and engage with the NHS Test and Trace process
- 11) Manage and report confirmed cases of coronavirus (COVID-19) amongst the school community
- 12) Contain any outbreak by following local health protection team advice

A close contact is defined as:

- Anyone who lives with someone with COVID-19 symptoms or a positive test result (PCR or LFD)
- Anyone in a support bubble or childcare bubble as if they were part of the same household
- Anyone who has had the following contact with someone who has tested positive for COVID-19 via PCR or LFD test.
 - face-to-face contact including being coughed on or having a face-to-face conversation within 1 metre skin-to-skin physical contact for any length of time
 - been within 1 metre for 1 minute or longer without face-to-face contact
 - been within 2 metres of someone for more than 15 minutes (either as a one-off contact or added up together over 1 day)
 - travelled in the same vehicle or a plane

The symptoms of COVID-19 are: a new and continuous cough, or a high temperature, or a loss of or change in a person's normal sense of taste or smell

Hazard	Who is at Risk	How Can the Hazards Cause Harm	Control Measures Currently in Place
Infection Control (people)	Staff, Pupils, Visitors	Staff contracting COVID-19	<ul style="list-style-type: none"> • An individual RA is available for those who feel they may be at higher risk from infection • Clinically extremely vulnerable staff (CEV) are advised not to attend the workplace • Staff who are required to quarantine having recently visited a county outside the common travel area will not come into school • Any other staff who are not required in school and who can continue to work from home will do so • Staff are either taking part in asymptomatic testing in line with DfE guidance, or for those that have not volunteered, weekly health screening is being carried out. • Any staff member with symptoms of COVID-19 is sent home to self-isolate for 10 full days and instructed to undertake a COVID-19 test. Their household members are also required to self-isolate pending the results of this test. • Close contact self-isolation of staff and their contacts will continue even when an asymptomatic testing programme is in place. • Where the PCR test returns a positive result: <ul style="list-style-type: none"> ○ The staff member self-isolates for 10 full days from the day after onset of symptoms and after that they can return if they feel well enough. They can return if a cough or anosmia persists beyond this time. ○ The staff member must notify the school of the test result immediately ○ Where two or more cases occur within 14 days the school contacts the DfE helpline for advice on any further action required ○ The school will carry out close contact tracing to identify any other staff or pupils who will be required to self-isolate ○ The school will review the case against the Group guidance on <i>COVID-19 and ARMS</i> to establish if it was likely that the infection was contracted as a result of occupational exposure and record it on ARMS if it was. • If the test result is negative the staff member can return to school when they feel well enough to do so. Any close contacts who were self-isolating can stop doing so. • Where an LFD test returns a positive result: <ul style="list-style-type: none"> ○ (Home testing) self-isolate, arrange a PCR test, and follow the above if positive. If negative, return to work ○ (In school testing) staff member self-isolates for 10 full days from the day after the test. Any close contacts must also self-isolate ○ The school must be notified of the test result in the case of testing from home ○ Where two or more cases occur within 14 days the school contacts the DfE helpline for advice on any further action required ○ The school reviews the case against the Group guidance on <i>COVID-19 and ARMS</i> to establish if it was likely that the infection was contracted as a result of occupational exposure and record it on ARMS if it was.
		Pupils contracting COVID-19	<ul style="list-style-type: none"> • Any pupil with symptoms of COVID-19 should not attend school for 10 full days from day after the onset of symptoms and is expected to undertake a test. The pupil/parents are instructed to notify the school immediately if a positive result is obtained. • Where two or more cases occur within 14 days the school contacts the DfE helpline for advice on any further action required • A negative result means the pupil can return to school.

		<ul style="list-style-type: none"> • Where a pupil indicates an individual in their household is unwell with symptoms compatible with COVID-19, they must self-isolate for up to 10 days. The symptomatic household member should arrange a test. If this test result is negative the pupil can return to school if they do not have any COVID-19 related symptoms. • Clinically extremely vulnerable pupils are advised not to attend school at this time. • Pupils/children who are required to quarantine having recently visited a county outside the common travel area must not come into school
	Visitors contracting COVID-19	<ul style="list-style-type: none"> • All visitors to site carefully managed and identification details recorded and held for 21 days to support the Test and Trace process. • Details of any specific local procedures are communicated to all visitors before they come to site. • Parents are advised to drop children off alone, i.e. not to come with partners or family and not to congregate at the school entrance. • Parents advised to wear face coverings when collecting and dropping children at the gate, staff to wear face visors and/or face coverings when collecting and returning children to the gate • Parents collecting children from site – face coverings must be worn and children to be collected from main reception area or the parent escorted to where the child is • Contractors attending while school is operational are notified that the school is operational and their access requirements reviewed on a case by case basis. • Central office staff visiting schools are eligible for inclusion in asymptomatic testing but this is not a condition of entry and all normal infection control practices will still be followed. • Visitors and students must sign and complete a covid signing in sheet on arrival and their movements around school to be logged • Any visitors must have made an appointment prior to arrival and a suitable space is agreed • Details of local procedures communicated to all visitors before they come to site – advised of protocols in place at reception area – sanitiser to be applied and face coverings recommended by all visitors to site. A yellow bag should be given to visitors as they arrive to use and dispose of PPE as they leave, this should be disposed of in a lidded bin • Visitors to be made aware of this risk assessment on arrival • Visitors to be made aware of the route to take around school if visiting children • On-site cleaner to be made aware of the space used by a visitor to ensure this is cleaned after use • NTP Tutors have own workstation and hygiene pack to be used in-between pupils, list of pupils held in SLT office • No visitors should enter an occupied room
Suspected / confirmed case in school	Staff/ pupils	<p>Potential contamination of surfaces and for person to person spread</p> <ul style="list-style-type: none"> • Pupil/staff member sent home and instructed to arrange a COVID-19 test. The school may provide a PCR test kit where doing so may increase the likelihood of a test being completed. • Pupils with symptoms are isolated in a dedicated room with an open window. Where this is not possible, they are kept at least 2m away from all other persons. • If a bathroom is required while awaiting collection this will be cleaned and disinfected immediately after use using normal cleaning products • Cleaning and disinfection of the area is carried out in accordance with DfE guidance COVID-19: cleaning of non-healthcare settings • Symptomatic pupils should either be collected by a family member or walk, cycle or scoot home. Where transport is required the school will have regard to the principles contained in Safe Working in Education Childcare and Children’s Social Care Settings

			<ul style="list-style-type: none"> Any staff member who provided close-contact care (with or without PPE) is only required to self-isolate if the symptomatic person subsequently tests positive, they develop symptoms, they are instructed to do so by Test and Trace or PHE, or they test positive from an LFD test as part of a community or worker programme. PPE, i.e. disposable face masks (type IIR), disposable gloves, disposable aprons and eye protection is supplied for providing care to suspected cases but is only required where 2m separation cannot be maintained. Any confirmed cases to be reported to RD, DFE and local PHE – Daniel Clark – Danielclark@barnsley.gov.uk 07747485243 All suspected and confirmed cases to be logged using the spreadsheet provided by the LA and updated accordingly
Infection Control (practices)	Staff, Pupils, Visitors	Operational practices in place to minimise the risk of the spread of infection	<p><u>Face Coverings</u></p> <ul style="list-style-type: none"> <u>Early years and Primary</u> <ul style="list-style-type: none"> Face coverings will be worn by staff and adult visitors when moving around corridors, in communal areas and anywhere that social distancing between adults is not possible (subject to any exemptions) <u>All</u> <ul style="list-style-type: none"> Face coverings are required by law for those >11yrs using public transport. The school supports safe disposal and hand hygiene practices for those arriving with these The school holds a small supply of disposable face coverings Pupils, staff, and visitors are briefed in the safe wearing, removal and storage of face coverings including hand hygiene
			<p><u>Good Hand and Respiratory Hygiene</u></p> <ul style="list-style-type: none"> Soap and running water or hand sanitiser is readily available Hands are cleaned by all pupils, staff members and visitors, using soap or sanitiser on arrival, after break, when changing rooms, before and after eating, and after using the bathroom. Skin friendly cleansing wipes used for those who need assistance in cleaning hands and sanitiser use supervised where necessary 'Catch-it, bin-it, kill-it', promoted throughout school. The school provides tissues and sufficient bins to support disposal of waste. The school considers support for those who may have difficulty or those who spit or use saliva as a sensory stimulant. If children, ask to wear face coverings in school they can and will be provided with a clear plastic sealable bag to place this in when not using they must wash their hands after removing the face covering Wipes to be provided in all staff communal areas and staff must use these after use – toilet handles, doors, taps – keyboard, mouse – telephone
			<p><u>Cleaning</u></p> <ul style="list-style-type: none"> A cleaning schedule is in place showing increased frequency with a focus on areas used by multiple groups and frequently touched surfaces in line with normal procedures and cleaning risk assessment. No requirement for additional PPE to be worn for routine cleaning. Cleaning following confirmed/suspected case carried out in accordance with PHE guidance COVID-19: cleaning of non-healthcare settings

- Cleaning is contracted out the school keep a record of what enhanced processes have been implemented and checks are in place with the SBM to ensure that the contractor is operating in line with Govt guidance and not just carrying out business as usual. SBM to liaise with cleaning supervisor via email and hold regular site meetings
- Continue to have additional day long cleaning in place from Barnsley Norse who cleans all areas of school and additional member of cleaning staff at lunchtime to clean the dining tables between each sitting and tables and chairs in classes as they break for lunch
- Cleaning materials provided in both staff areas to allow staff to clean their eating area before and after use.
- Pupil desks, chairs and toilets are cleaned three times a day. Handrails and door handles are cleaned frequently throughout the day.
- Staff to ensure keyboards, mice and telephones are cleaned before and after use
- Staff to ensure microwave, kettle, fridge doors are wiped with wipes after being opened or touched
- Wipes to be used in toilet areas after use – handles, taps
- NTP tutors are provided with hygiene packs for their workstations

Grouping and Measures Within Classrooms

- Early Years
 - Normal group sizes in place, but mixing between groups minimised wherever possible
 - No expectation that young children distance within their groups
 - Parents and carers are encouraged to limit the number of settings their child attends
 - Focus is on consistent groupings and the robust practising of the other points in the system of controls
- Primary and Secondary
 - Consistent grouping practised as much as possible
 - Mixing between groups is minimised and secondary pupils are encouraged to maintain social distancing within groups
 - Mixing in wider groups for specialist subjects, wraparound care, on transport, or in the case of boarding pupils is managed
 - All staff can operate across multiple classes and year groups but will practise social distancing where possible.
 - A record is made of group/bubble composition and any close contact that takes place between children and staff in different groups
- Individual resource packs for children are provided
- Tables in Y3 and Y4 will be forward facing in rows with 2 pupils per desk
- Tables in Y5 and Y6 to be placed in groups due to the restricted size of the classrooms and size of children at this stage of the year – table caddies to be placed in the centre with the children’s individual resource packs in them
- Tables in Y2 to be placed in groups due to this being more conducive to learning and the needs of this particular cohort of children - table caddies to be placed in the centre with the children’s individual resource packs in them
- Keep resources limited to those that can be easily washed
- Resources that are shared such as books to be left unused for 48 hours any plastic resources not able to be cleaned should be left for 72 hours
- Have resource washing plan in place daily – washing bags with resources placed in Milton solution daily
- Remove all textiles
- Children’s individual items should be placed either on or under their desks, jumpers should be placed in children’s individual bags
- Children should place coats and PE kits on pegs only
- Lunch boxes should be stored at children’s desks or in the cloakroom area underneath their individual peg
- Cleaning materials have been provided and is used by staff in each bubble throughout the day at regular intervals.

- To minimise movement within the classroom each child will have a tray containing equipment and books required. This will be stored under the desk when not in use.
- Movement of staff and pupils throughout the day is staggered
 -
 - In primaries, staff practise distancing from pupils and staff whenever circumstances allow
 - Pupils sit side by side and facing forwards where possible.
 - Education and care support for those with complex needs is provided as normal.

Measures Elsewhere

- Groups are kept apart where possible. Assemblies/worship are held virtually within each class bubble.
- Timetabling reviewed to keep groups apart and minimise movement around the site as much as possible.
- Gate 1 – EYFS Nursery – 8:30-11:30/2:30
- Gate 1 – EYFS Reception – 9:00-2:45
- Gate 1 – Year 1 – 8:45-3:00
- Gate 2 – Year 2 – 9:00-3:10
- Gate 2 – Year 3 – 8:45-3:00
- Gate 2 – Year 4 – 8:30-2:45
- Gate 3 – Year 5 – 8:45-3:00
- Gate 3 – Year 6 – 8:30-2:45
- Break and lunch are staggered whenever possible to minimise mixing of groups with dining hall surfaces cleaned between groups.
- Lunchtimes in the hall:
- 11:30-12:00- EYFS
- 12:00-12:20 – KS1

- 12:20-12:40 – LKS2
 - 12:40-1:00 – UKS2
 - Each class to sit on designated tables and designated seats and these to be cleaned between each sitting
 - Each class to be accompanied by a staff member from tat bubble – face covering must be worn by staff member
 - All breaks to be staggered with a maximum of 2 classes in each playground at once, the playground will be split to accommodate each class
 - KS1 play area – one class to use the Y1 play area, one class to use the KS1 playground
 - KS2 play area – one class to use the banking area, one class to use the playground
 - Classes will rotate areas on a weekly basis
 - The daily mile will be used as an afternoon break by one class at a time
 - Staff spaces are reviewed against the guidance on [Office and Contact Centres](#) to support distancing and hygiene
 - Staff room use is minimised except where social distancing and enhanced cleaning can be reliably practised.
- 2 staff areas are in operation – EYFS/KS1 staff use the nurture room and KS2 staff use the staffroom

Other Considerations

- Specific assessments are carried out for those with SEND needs to help with adjustments as necessary
- Supply/peripatetic teachers can move between schools but will minimise contact and socially distance as much as possible.
- Specialist staff e.g. therapists work as normal.
- DT specialist to work within one class bubble for the full afternoon
- IT technician to complete a log of movement and timings throughout the day to be handed to SLT at the end of the day
- Parents are informed of the processes in place for drop-off and collection, including discouraging gathering at the school gates
- Dual registered children can attend, but the two settings will liaise to agree controls.
- Social workers and family support workers allowed on site to attend meetings where social distancing measures can be put in place, face coverings must be worn at these meetings and tables cleaned after use
- Meetings with parents can take place in the hall or outside, cleaning of tables after use, face coverings must be worn
- Equipment:
 - Personal items, e.g. pens and pencils will remain individual and be cleaned between users where this isn't possible
 - Classroom resources are used freely within the bubble/group, but are subject to regular cleaning
 - Resources shared between groups are cleaned frequently, i.e. always before being used by another group, or quarantined for 48 hours between use (72 hours for plastic items).
 - Outdoor play equipment is cleaned more frequently
 - Pupils are advised to limit the amount of equipment they bring to school
 - Resources can be taken home by pupils and staff and are subject to the same rules re cleaning and rotation as above.
- Early years:

			<ul style="list-style-type: none"> ○ Messy play is carried out either with materials assigned to individual groups or, with materials cleaned or replaced between groups. Hand hygiene is robustly practised in all groups. ○ Parents can settle their children but need to abide by any local rules re face-coverings and the setting’s visitor procedures. Their time on site and contact with others should be limited. ○ Supervised toothbrushing is carried out using the dry-brush method. <p><u>Dedicated school transport</u> No pupils access school transport at Bank End</p> <p><u>Public Transport</u></p> <ul style="list-style-type: none"> ● Steps are taken to depress demand at peak times (Stagger start/finish times) ● Walking, cycling, scooting to and from school are all promoted ● Face coverings are required by law on public transport for all over 11 years old. <p><u>Office Area</u></p> <ul style="list-style-type: none"> ○ Doors to remain closed to the office area and all staff to seek advice or support through the reception hatch area ○ The link corridor should not be used for staff to walk through, this is a breakout area only – log included in link corridor for staff to sign when used and length of time used for ○ Any staff accessing the office area must use the sanitiser on arrival, remain 2m apart from other staff ○ No children should be brought to the office area, children must remain with their class bubble <p>Staff should not walk through the hall when groups are using this and during breakfast club and should walk the designated route to their class or the office</p>
<p>Infection Control (premises)</p>	<p>Staff, Pupils, Visitors</p>	<p>Changes to or introduction of physical control measure to minimise the risk of the spread of infection</p>	<ul style="list-style-type: none"> ● Any unnecessary furniture removed to aid distancing between groups ● Demarcation of playground spaces, classrooms and offices where social distancing controls are difficult to manage ● Room capacities considered to ensure spaces cannot become suddenly overloaded by persons from different groups e.g. print rooms, lifts ● The whole school is kept well ventilated insofar as the ventilation systems allow and whilst maintaining a suitable teaching and working environment. Mechanical ventilation systems are set to ‘fresh air’ mode where possible. Single room systems continue to operate as normal ● Windows are opened where possible, where temperature allows it, and where doing so does not create undue risks. Where no mechanical ventilation is provided, windows are fully opened at least at every break time to vent the room ● Non-fire doors are propped open to support ventilation and to remove need for hand contact

<p>Delivery of 'higher risk' subjects</p>	<p>Staff, Pupils</p>	<p>Delivery of lessons such as science, D&T, Drama and PE require pupils and staff to work in close proximity thereby increasing the risk of infection</p>	<ul style="list-style-type: none"> • Subject leads continually review their departmental risk assessments against sector specific guidance for the planned activities and update these accordingly. <ul style="list-style-type: none"> ○ CLEAPSS guidance referred to in planning science, D&T and Art ○ AfPE and national governing body guidance referred to in planning physical activities ○ Music Mark and DCMS Performing Arts guidance referred to in planning music, dance and drama <p>Music and Drama</p> <ul style="list-style-type: none"> • Consistent groupings are maintained wherever possible • Singing and wind instrument playing takes place in in larger rooms with players, singers, and any other persons 2m apart, and with ventilation maximised. Where possible outdoors if the weather permits. • Choirs and ensembles will only take place where social distancing and high levels of natural airflow can be maintained • Wind players positioned so that air is not blown into another player • Backing tracks/accompanying music operated with volume levels as low as possible. • Microphones used where possible and amplification is required; if shared they are cleaned between each user • Performances with an audience to not take place at this time. • Robust handwashing practised, before and after handling equipment/instruments • Any shared equipment is cleaned regularly and always between users <p>Physical Activity</p> <ul style="list-style-type: none"> • Consistent groupings maintained • Equipment thoroughly cleaned between groups • Outdoor lessons prioritised where possible. Indoor spaces have natural ventilation maximised • Use of external facilities is risk assessed on a case-by-case basis • Team sports only carried out where NGB has published guidance on how this can be carried out safely and with this guidance implemented • Inter-school sport to not take place • Physical activity is encouraged at break and lunch time where it can be carried out within existing groups and with any shared equipment cleaned after use <p>Educational Visits</p>

			<ul style="list-style-type: none"> • Early Years – Trips to outdoor spaces for the purposes of exercise are managed in line with the principles contained in the sector specific guidance • Primary and Secondary – Trips will not take place at this time. <p>Parent and Child Groups</p> <ul style="list-style-type: none"> • Will take place with a limit of up to 15 participants and are individually risk assessed with the system of controls rigorously applied
Anxiety, stress and worry	Staff, pupils (parents indirectly)	Those coming to work or school may be anxious, worried or stressed	<ul style="list-style-type: none"> • The workforce and any Union reps have been involved in the development of this risk assessment and associated control measures • This risk assessment and its findings have been shared with staff and published on the school website. • Staff have access to Group's occupational health and counselling service • Headteacher weekly briefings and shared updates with all staff via the school bulletin • Phase meetings check-in with staff regarding stress and anxiety • Timetable has explicit well-being lessons • Daily team time takes place within each class bubble
Intimate Care/Higher Dependency Pupils	Staff, Pupils	Intimate care brings people within close proximity of each other thereby increasing the risk of infection	<ul style="list-style-type: none"> • Staff providing intimate care to use PPE as they would do normally for providing care in line with children's needs • No specific PPE is required unless the child in question is symptomatic (see <i>Suspected/confirmed case in school</i> section). • Individual risk assessments are in place for pupils requiring intimate care
Failure to follow local rules	Staff, Pupil, Visitors	Persons fail to follow local rules due to lack of awareness or persons who violate local rules	<ul style="list-style-type: none"> • Risk assessment developed in collaboration with staff and Union reps and shared with all parties • All staff reminded of their duty to follow these control measures and to support staff or pupils who may fail to follow these in a constructive manner • Transgressions will be escalated through existing behaviour/disciplinary arrangements • Behaviour policy for children updated to reflect new procedures and uploaded to the website • Acceptable behaviour of visitors policy has been updated and shared with all stakeholders • Links have been maintained with community police to support distancing and expectations • Letter to be shared with parents who have not followed local rules and guidelines • Regular updates through the Facebook page and via the website • Regular checks through learning walks and pupil discussion
The school lapses in following national/ group	Staff, Pupil, Visitors	Lack of awareness leads to failure to	<ul style="list-style-type: none"> • Central office to ensure that Coronavirus pages on the Hub are kept updated • Important updates/changes included in CEO's Heads Bulletins

guidelines and advice		follow required controls	<ul style="list-style-type: none"> • Regular key guidance updates issued by Group H&S Manager • Headteacher to ensure that all relevant guidance is followed and communicated to staff • Senior Leaders keep themselves up-to-date with advice issued by, but not limited to, DfE, NHS, Department of Health and Social Care and PHE, and review this risk assessment accordingly • The LGB is kept informed on changes in guidance and school approach
Other Risk Assessments	Staff, Pupils	Other risk assessment that aren't updated and therefore become invalid	<ul style="list-style-type: none"> • Extra-curricular provision/wraparound care is carried out line with the principles outlined in this risk assessment • Fire safety procedures have been amended to support COVID-19 infection control arrangements • Staff training schedule monitored and any slippage identified and managed
Temporary Home Workers	Staff	Staff working from home having DSE issues, accidents or suffering wellbeing or stress issues	<p>DSE</p> <ul style="list-style-type: none"> • Staff are allowed to take home peripherals and chairs from office • Guidance on setting up a suitable workstation provided on HSE website • Additional equipment needs are reviewed on a case-by-case basis <p>First Aid/Accidents</p> <ul style="list-style-type: none"> • Any accidents to be logged onto ARMS and line manager to be notified <p>Wellbeing/Stress</p> <ul style="list-style-type: none"> • Guidance on wellbeing provided on Hub coronavirus pages – dedicated wellbeing section • Managers to maintain regular contact with their employees, preferably by video link.
